

VELOTOZE®

SHOE COVER

ROAD

Velotoze tall road shoe covers protect your feet and cycling shoes from the rain and cold. They are made with our signature lightweight, waterproof material and are designed to work with most road cycling shoes. Whether it is race day or training day, Velotoze tall shoe covers will keep your feet warm, dry, and comfortable.

SHOE COVER

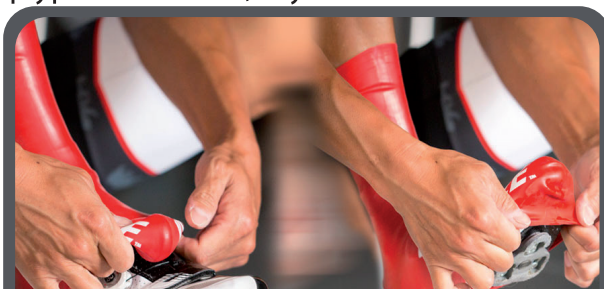

MTB

Velotoze tall MTB shoe covers protect your mountain bike shoes from rain, cold and mud. They are made with our signature waterproof material, designed for MTB shoes, and reinforced for use on dirt and gravel trails. Wherever you ride, Velotoze tall shoe covers will keep your feet warm, dry and comfortable.

1.

With sock on, pull shoe cover on over sock. Put foot through large cleat hole, then put on shoe.

2.

Pull shoe cover down over heel of shoe first, then pull over the toe. Adjust around cleat and heel pad. To remove, follow instructions in reverse.

CARE INSTRUCTIONS

- To clean, rinse with cold water and wipe dry
- Apply talcum powder to inside to prevent sticking
- Store away from direct sunlight
- Avoid contact with sharp objects

Caution: Product contains natural rubber latex, which may cause allergic reactions.

VELOTOZE SIZES	EU SHOE SIZE	US SHOE SIZE (M)	US SHOE SIZE (W)
S	37-40	5-7	6,5-9
